

ANDRÉS GALDINO

Product Designer · UX/UI Designer

Bogotá, Colombia | +57 318 938 1836 | jesusandresgaldino@gmail.com
andresgaldino.com | [linkedin.com/in/andresgaldino](https://www.linkedin.com/in/andresgaldino)

PROFESSIONAL PROFILE

Product & UX/UI Designer with 8+ years of experience leading end-to-end design for digital products, B2B platforms, and brand systems across Latin America. Combines user research, systems thinking, and strong visual craft in a single profile. Expert in Figma with proven ability to build and govern scalable design systems, translate complex requirements into intuitive interfaces, and operate autonomously across discovery, design, and engineering handoff. Actively integrates AI tools (Claude, ChatGPT, Gemini) into daily design workflows. Native Portuguese speaker. Available 100% remote.

SKILLS & TOOLS

Design: Figma (expert) | Adobe Illustrator | Adobe Suite | Canva | Canvas

Capabilities: End-to-end Product Design | UX Research | Information Architecture | Interaction Design | Design Systems | Wireframing | Prototyping | Usability Testing | JTBD | A/B Testing | Engineering Handoff | DesignOps | Brand Identity

AI integrated: Claude (Anthropic) | ChatGPT | Gemini — applied daily to research synthesis, prototyping and workflow optimization

Collaboration: Cross-functional teams | Client-facing environments | Agile workflows | Notion | VS Code

PROFESSIONAL EXPERIENCE

Chiper (ChiperOS) | Product & Visual Designer, DesignOps

Jun 2024 – Mar 2025 | Remote | B2B Marketplace | CO / MX / BR / VE

- Designed and implemented a modular design system that reduced production cycles from 15 days to 1 week (+200% delivery speed) across 4 simultaneous markets.
- Led visual consistency and DesignOps for a B2B marketplace, collaborating directly with global brands including Coca-Cola, Nestlé, Unilever and PepsiCo.
- Created comprehensive handoff documentation for engineering teams, ensuring full design fidelity in implementation.
- Operated as sole design owner for the Brazilian market, communicating natively in Portuguese with zero intermediaries.
- Integrated AI tools to automate repetitive tasks, reallocating capacity toward strategic design decisions and creative direction.

Reserva Natural Victoria Regia | Digital Founder & Creative Director

2019 – Present | Own project | Amazonas, Colombia

- Built complete digital identity from zero: naming, branding, design system and UX/UI for a high-value ecotourism project with 100+ years of history.
- Directed all digital communication autonomously — from print materials to published digital product.

Moda Week International | Graphic Designer & Brand Strategist

Jan 2018 – May 2022 | Remote | USA

- Led visual and brand strategy for an international fashion media company for 4+ years: editorial design, motion graphics, and campaigns.
- Started professional career at age 16 in a fully international, client-facing environment.

PORTFOLIO HIGHLIGHTS

LUMI — End-to-End Product Design | Mobile App

Full UX process from discovery to delivery: 5 qualitative user interviews, JTBD framework, competitive benchmarking, complete design system, and 20+ interactive screens in Figma.

FARMALAXIA — Brand Identity | B2B SaaS Startup

Built complete visual identity from scratch for a B2B SaaS platform. Scalable design system, responsive logotype, and brand manual optimized for mid-range Android devices.

EDUCATION

Pontificia Universidad Javeriana | Digital Experience & Communication Design | Degree
